

Directions to the 2020 Annual General Meeting (AGM) of Orchard Therapeutics plc

Impact of COVID-19: On March 26, 2020, the UK Government Stay at Home Measures became law. Among other things, the Stay at Home Measures prohibit public gatherings of more than two people. This means that, as things currently stand, ordinary shareholders are not allowed to attend the AGM in person.

If the Stay at Home Measures are continuing (or similar UK Government guidance is in place) at the time of the AGM, any ordinary shareholder seeking to attend the AGM in person will be refused entry. We strongly encourage you to vote by proxy as described in the proxy statement so that your vote can be counted.
